Online English Programs For Everyone

The **MyTeacher** service makes arranging online meetings refreshingly straightforward and sensible. We accept most any credit card, and payments are welcome via bank transfer to our company bank account in Taiwan too. Creating proper company invoices for you (upon request) is fine too. You set the time and frequency, get a Time Document and we find exactly who is perfect for the consultations **you** are searching for. You name the language, time and place and we do the rest.

MyTeacher Time Policy

- You must first Register / pay in full, and if after two weeks what you are looking for can not be arranged, we thank you for the opportunity and return
- After the first four (4) hours of time are spent, your consultant can not be changed.
- You will be charged if you do not give at least five (5) or more hours notice of a cancellation.
- Email and Text messages require a response to be validated.
- Your time will be lost if you do not finish it during its active period.
- Recording of any kind is prohibited and may result in termination with no refund.

Leave the recording to us. We welcome your requests.

Your Time Document

Your Time Document is the best way to ensure that we both know and understand our meeting plans. You can access it online at any time through the QR code or the link we email you. It is the best way to keep a record of your schedule while eliminating any doubts about arrangements. Your personal plan and schedule information are on one page for your convenience.

Please make sure to inform us 5+ hours in advance of any changes you would like. It's beneficial for everyone to keep this document as you want it. You won't find a 5+ hour cancellation policy anywhere else; it's totally worth bragging about.

To keep things simple, we prefer email, text or phone calls. Let us know about any updates or changes you want, and we will usually respond with your Time Document link to check and confirm things are as you want them. We recommend that everyone take a look at the document in this way to avoid any scheduling confusion. Accidents can happen. If you miss a meeting with less than five hours' notice, it's time lost. However, if we make an error, you'll receive double the time back. We want you to know that we take your time and our commitment to you very seriously.

Foreign Languages

Learning materials included. Inquire about any other languages and let us hook you up.

We pride ourselves on delivering top-quality and personalized classes. Our teachers are experienced and make learning fun. Give us two weeks. You have nothing to lose.
